## Aims

To raise achievement and enhance progress by ensuring the highest possible levels of attendance, punctuality and involvement in the school.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

## Objectives

- To keep an accurate and up to date record of attendance and punctuality.
- To inform parents/carers and students of attendance issues.
- To ensure parents/students are aware of the implications of poor attendance.
- To identify non-attendance and liaise and support with families.
- To improve attendance of individuals, groups and the whole school.

## The Law

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

## Parent/carers legal responsibilities

Under section 7 of the Education Act 1996, parents/carers are responsible for making sure that their children of compulsory school age are in receipt of a full-time education. Parents/carers have a legal responsibility to ensure their children regularly attend at the school at which they are registered.

If a child of compulsory school age who is registered at a school fails to attend regularly, then the parent/carer is guilty of an offence under section 444(1) of the Education Act.

## Guiding Principles

It is the responsibility of everyone in the school community to improve attendance and punctuality and staff will work with students and their families to ensure every student attends regularly and punctually.

All non-attendance will be investigated by the school.

The percentage attendance rates for both schools are published in newsletters and shared through assemblies, on the websites and verbally with students – attendance is an ongoing conversation at our schools.

## Procedures

### Attendance register

The school register is a formal, legal document and is taken by staff twice a day - once at the start of the morning session and once during the afternoon session. Class Teachers and Tutors are expected to complete registers electronically.

The register will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

See appendix 1 for details of the codes used on the registers to record this.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

### Registration at Blackminster

Morning 0825 - 0835

Afternoon 1340 - 1410

Students arriving after 0835 but before 0900 will be marked as 'L' - LATE.

Students arriving after 0900 will be marked 'U' - UNAUTHORISED ABSENCE.

**Should a student arrive late they MUST register directly with the school office.**

***Students who regularly arrive late or without any reasonable explanation will attend a lunchtime detention.***

The Attendance Officer will send letters home to the parents/carers of those students who regularly arrive late.

### Registration at Pebworth

Morning 0855 - 9.10

Afternoon 1300 – 1305

Students arriving after 0910 but before 0930 will be marked as 'L' - LATE.

Students arriving after 0930 will be marked 'U' - UNAUTHORISED ABSENCE.

**Should a student arrive late they MUST register directly with the school office.**

School will send letters home to the parents/carers of those students who regularly arrive late.

## Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.10am or as soon as practically possible. Reporting absence should be done by telephone to Blackminster on 01386 830311 or Pebworth on 01789 720726.

A First Morning Call will be completed by the school on a daily basis for all children who are absent and where no explanation has been received. We have a duty to ensure the safety of all children as well as their regular school attendance.

Absence due to illness will be recorded as authorised unless the school has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

## Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents/carers should notify school as soon as possible when the appointment is arranged, by telephone or email. The Pebworth First and Blackminster Middle School Federation may request an appointment letter to confirm these appointments.

## Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code (see appendix 1).

A pupil who arrives after the register has closed will be marked as absent for that session, using the appropriate code and signed in manually.

Where a pupil is consistently late, senior leaders may write to parents and request to meet with them in order to explore the reasons for this and investigate the support which can be put in place to overcome this.

## Reporting to parents

A copy of each pupils attendance record is sent home once per term. Additional celebration and warning/reminder letters may be sent where a pupils attendance is excellent or recognised as a concern by attendance officers and senior leaders.

## Home/School Partnership

- Encourage good attendance and punctuality.
- Inform the school on each and every occasion of absence.
- Where possible, arrange medical/dental appointments outside school hours. NB where appointments are unavoidable, please provide the school with medical evidence in advance.
- Respond promptly to any attendance related correspondence. If no satisfactory explanation is given for absence then the absence is unauthorised.
- Should a student experience any difficulties in terms of attendance or punctuality, the school will work with the family to overcome these.
- Parents will be kept informed about their child's attendance and punctuality. This will be recorded on reports.
- Ensure good links with parents are maintained, enlisting their partnership in achieving good attendance and punctuality.
- If students are absent from class, or seen off site, then the attendance officer/school leader will be notified and a phone call made.
- Where attendance continues to be of concern, school will make phone calls home, send letters, arrange meetings with parents or make home visits. Penalty notices or prosecution may result if there is no improvement in attendance.

## Student responsibilities

- Attend regularly, equipped and dressed appropriately.
- Arrive on time to lessons, ready to learn
- Tell teachers if there is a problem that may lead to absence.

## Absence

### Persistent Absence

Persistent Absence is when a pupil's attendance is below 90% or falls below 95% over a 4 week period. In either case, parents will be contacted and informed that there is cause for concern.

### Long Term Absence

Long Term Absence is when a student is absent for a sustained period of more than 2 weeks. This may be for authorised or unauthorised reasons. The Headteacher's decision is final in relation to authorising any and all absence.

### Request for Exceptional Leave in Term Time

Pebworth First School and Blackminster Middle School do not authorise leave taken during term time, unless in exceptional circumstance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Exceptional circumstances may include (but are not limited to) family illness/bereavement, religious observances and a parent or carer being a serving member of the armed forces or emergency services. Parents may make a request for Exceptional Leave but this must be made a minimum of 6 weeks in

advance. Every application will be assessed on a case by case basis and a written response will be issued to the parent/carer.

If the school chooses to authorise the absences we will support the student with any catch-up of missed work. If the school chooses NOT to authorise the absence, there is no legal obligation for the school to provide work.

It should be emphasised that it is the student's responsibility to catch up on work missed, but that staff should aim to make the process less demanding. Staff will clearly target the work that needs to be caught up, identify appropriate websites and study guides for individual research, e.g. [www.mymaths.co.uk](http://www.mymaths.co.uk), Education City and ShowMyHomework

**If unauthorised leave of absence is taken it may lead to the parent being issued with a Penalty Notice.**

## Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

## Attendance monitoring

The attendance officer monitors pupil absence on a fortnightly basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see Unplanned Absence section above).

Where a pupil's attendance falls below 97%, we may contact parents/carers to discuss the reasons for this.

If after contacting parents a pupil's absence continue to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee. We will put in place an attendance action plan to support families and pupils in improving their attendance in these circumstances.

The attendance process at Blackminster can be found in appendix 2 and at Pebworth in appendix 3.
